About

Hi! I'm Aimee, creator of Littles Bilingual Buddies.

As a mom of three, I was always looking for bilingual content that felt simple, calm, and real. I wanted Spanish to be part of everyday life – not something that felt overwhelming or rushed.

That's why I created Aimee Littles. Through songs, stories, and everyday moments, we help families bring Spanish and English into daily life one phrase at a time.

We're so happy you're here. ❤️
